

KDHE Regional Health Care Coalition Ebola Preparedness Forums

The Kansas Department of Health and Environment (KDHE) will be traveling the state during November and December speaking about Ebola with each of the Preparedness Health Care Coalitions (HCC). The HCC's will host Robert Moser, MD, Secretary, and State Health Officer, along with other KDHE staff who will discuss the Kansas strategy on the evolving Ebola challenge. After they provide a situational update and briefly review the Kansas Ebola Preparedness and Response Plan, there will be a question/answer session and time for general discussion.

Registration now open on KS-TRAIN at <http://ks.train.org>, **Course ID# 1053984**
